Guarantee

We are delighted that you have taken delivery of your new SunPipe system and we do hope that the installation of the system will give you many years of satisfactory service.

Our SunPipes carry a 10 year guarantee and we would be pleased, therefore, if you would complete and sign the SunPipe Registration Form below and return it to us, in order that we can record your guarantee on our system.

On the reverse of this card, we provide simple maintenance instructions and we suggest you leave this portion of the tear-off card in a prominent position, so that you can contact us immediately should you have any need to do so in the future.

We are always very keen to monitor our customer feedback and we would be pleased if you would complete the form below as your comments and details are valuable to us.

Thank you for your kind co-operation.
